ester & erik

CUSTOM-MADE ARTICLES

Custom-made articles from ester & erik are products that are specifically made to order according to the customer's preferences.

Crafted and coloured by hand in Denmark, these bespoke candles have a longer production and delivery time due to their customized nature.

The minimum order/colli is highlighted under each product.

This category includes: traditional wax-candles on frames and in boxes.

Page 05 - 11

READY-TO-SHIP ARTICLES

minimum 6 colli mixed from ready-to-ship articles

Ready-to-ship articles from ester & erik are products that are already made and available for immediate shipment once an order is placed.

These products are typically produced in a higher quantity and kept in stock, allowing for quick delivery.

The minimum order is 6 colli mixed in the ready-to-ship articles category.

This category includes: scented candles, diffusers, LED candles, remote, batteries, candle sand, outdoor candle holders, cylindrical glass hurricanes, candle holders, candle plates, candle sticks, candle extinguishers and various articles.
